

A respectful space

Everyone working and collaborating at RWCMD should be able to do so in a safe space – a supportive and respectful environment.

As part of the RWCMD community we:

Value our differences

We recognise and respect our diverse backgrounds, perspectives and experiences.

Speak up and support one another

If we experience, or witness bullying, discrimination or harassment, we will speak up, knowing that our voices will be heard and taken seriously.

Create a positive community

We encourage a positive, optimistic and mutually supportive approach to work and study, celebrating the arts and creativity.

Treat each other with respect

We always communicate considerately and respectfully, welcoming creative challenge while also respecting each other.

Our values

Resourceful AND Responsible

We act with integrity, accountability, and care for our community.

Expert AND Inclusive

We strive for excellence while ensuring everyone feels welcomed and supported.

Contemporary AND Collaborative

We work together creatively and embrace new ideas and approaches.

Together we will create a respectful space.
